Kits for a Cause

An impactful way to support families at the House that Love Built

Thank you for supporting Ronald McDonald House Charities, Upper Midwest!

In the spirit of safety and caution for the vulnerable family members staying at the House, our on site volunteer opportunities are currently limited. You can still support families by collecting wish-list items and providing Kits for a Cause.

Pantry with a Purpose

We provide families three meals a day and pantry items are critical to our mission. See below for most needed items, or our <u>full wish-list here</u>.

Most needed items: Canned vegetables • Beef sticks • Granola • Individual Mac & Cheese • Trail Mix • Pop Tarts • Ziploc Bags (All Sizes)

Looking for ideas on how to fundraise? Check • out some fun ideas other groups have tried here, or email our team at community@rmhc-uppermidwest.org
